FLOW CHART FOR ADDING TWO NUMBERS

[Grab your reader's attention with a great quote from the document or use this space to emphasize a key point. To place this text box anywhere on the page, just drag it.]

```
                    ┌──────────────┐
                    │    Start     │
                    └──────┬───────┘
                           │
                    ╱──────▼───────╲
                   ╱  Import csv file╲
                   ╲ into pandas data╱
                    ╲     frame     ╱
                     └──────┬───────┘
                            │
                    ┌───────▼────────┐
                    │ See the data   │
                    │ description    │
                    │ and info       │
                    └───────┬────────┘
                            │
                    ┌───────▼────────┐
                    │ Check for null │
                    │ values or any  │
                    │ missing data   │
                    └───────┬────────┘
                            │
                      ◆─────▼─────◆
                     ╱ Is there any  ╲
                     ╲ missing values?╱
                      ◆───────────◆
```

- Is there any missing values?
- Remove the null and replace them with central tendency
- NO — Is there any outlier?
- YES — Remove outlier
- Is there any categorical — YES / NO
- Show the dataset
- END
